Position: Physical Therapist (PT) - Outpatient Ortho/Neuro
Full-time/Regular and Part-time

Location: Pontiac, Michigan (Metro-Detroit)

Job Description:

Amazing opportunity to lead and grow a new outpatient adult ortho/neuro program within Euro-Peds National Center. Position holds remarkable potential for growth, especially for someone with great initiative and willingness to increase the referral base. Euro-Peds has a reputation for providing superior physical therapy services that are customized for each patient with an emphasis on quality care provided in a safe and encouraging environment.

Required Skills:

Requires physical therapist degree from accredited physical therapy program and State of Michigan licensure. Previous experience working with adults with orthopedic and neurological impairments. Possesses outstanding customer service skills, is professional with excellent communication skills. Works well with others. Strong work ethic.

Contact/Position Type:

Send resumes to michelle@euro-peds.org. Also hiring Pediatric PTs, PTAs and aides. Will review resumes for full-time/regular, part-time and contingent work. Please state employment interests when applying.

About the Company:

Euro-Peds[®] National Center for Intensive Physical Therapy helps children and adults with cerebral palsy, traumatic brain injury, spina bifida and a variety of other gross motor disorders learn new skills to improve mobility, self-esteem and independence through intensive physical therapy. Therapists work one-on-one with patients in on-site therapy sessions ranging 1 to 4 hours a day, 2 to 5 days per week.

In late 2017, the company expanded its emerging physical therapy practice to also include orthopedic and neurological adult therapy programs along with speech therapy services for both adults and children.
